### Definitions of Hybrid and Online

**Hybrid classes** combine traditional “face to face” class meetings/seat time with out of class, online work.

Please consult the schedule for location and time for the mandatory “weekly” class meetings.

**Online classes** are completely "online" and do not require attendance "on campus". All Classwork is done "at a distance, and online" within the framework of deadlines established in the class.

Students may choose to take our paralegal program either completely "on campus" or completely "online" or a combination of both. All 12 law classes are scheduled every semester (with a combination of online & hybrid classes). Every two semesters, all 12 classes are offered both completely "on campus" or completely "online" Students may select to do classes either on campus, or online, or both.
